

Directions to Cecil Payne / Roodepoort International Shooting range:

Get onto the Western Bypass and take the Mariasburg Road offramp. Turn towards Mariasburg (Right if you are coming from Sandton).

Travel for just over 2kms (The road goes through Mariasburg and in that 2km distance it changes name to 10th and then to Maud).

You then need to turn Left into Nadine. Sparrow Village is on your left. Just after Sparrow Village there is a sign saying "International Shooting Range" and also the "SPCA" sign. Turn left here and follow the tarred road into the range.

As a point of reference at about 2kms you will see a cricket ground on your left hand side. The range is actually behind that.

The GPS coordinates are: S26 11,082 and E27 55,710
